## Chronotir Timing System Usage Agreement

By using the LAA Chronotir System you agree to the following terms and conditions:-

The equipment must be covered either by your own insurance or by a guarantee of replacement if damaged lost or stolen whilst in your care. If the units fail to function due to a manufacturing or system fault this will be covered by LAA.

All equipment will be checked before being passed over for your use and on its return. It will be used in accordance with the manufacturer's instructions. It will be charged correctly upon receipt and before return. It will be protected from adverse weather conditions.

The sets can be used either as a pair or a set of four, you must arrange for collection and return of the units. Please contact Phil Morris at [LAA@lob.org.uk](mailto:LAA@lob.org.uk) for details.

### The equipment required (delete as required):-

Four / Two display and sound units

Four / Two collapsible Tripods

Four / Two charging units

One / Two Control units. (each requires 4 AA batteries to be supplied by user)

Instruction manual.
